

**LIST OF ENGINEERING DISCIPLINES OF UNEMPLOYED ENGINEERS FOR
EMPLOYMENT LINKAGES**

Dear Employers of the Engineers and the General Public, December 16, 2014

The Board is hereby uploading the engineering disciplines of engineers in various categories of registration for the purpose of establishing a linkage platform between the engineers looking for employment opportunities and employers seeking engineers to employ.

The Board urges employers in need to use the services of engineers for various engineering works/services to send their requirements to the Board at the indicated addresses below for linkage purposes.

Currently, the Board has prepared a list of various engineering disciplines of engineers available for employment linkages as indicated in the table below:
