

17TH ANNUAL ENGINEERS DAY, SEPTEMBER 2 - 4, 2020

INVITATION TO PARTICIPATE TO THE EVENT

The Engineers Registration Board (ERB), a statutory body established by the Engineers Registration Act No 15 of 1997, as amended by Act No. 24 of 2007. The Board has responsibilities of regulating engineering activities and the conduct of engineers, engineering technicians and engineering consulting firms in Tanzania as well as promoting and providing opportunities and facilities for the study of and professional training in engineering.

The Board is organizing an Annual Event for 17th year known as “Annual Engineers Day (AED)” that will be held on **September 2 - 4, 2020 at Dr. Jakaya Kikwete Convention Centre, Dodoma**. *The event will also be available physically (1,500 pax) and virtually (3,000 pax).*

During the event, engineers will discuss the theme on “**4th Industrial Revolution Towards Achieving SDGs: Challenges and Opportunities for Engineers**”.

The major activities during the AED event will include:

- (i) Paper presentations and discussions;
- (ii) Exhibitions of technologies – whereby various organizations will exhibit their technologies and engineering goods and services;
- (iii) Awarding best graduating engineering students from higher learning engineering institutions, SEAP Providers, and Mentors;
- (iv) Oath taking for professional engineers; and
- (v) Young Engineers Forum.

All engineers and engineering technicians are invited to attend. All professional and consulting engineers who will attend this event will have an added advantage of being awarded **16 Professional Development Units (PDUs)** in their Continuing Professional Development (CPD) Program. **CPD is mandatory and a prerequisite for all practicing engineers.** During the event there will be a parallel session for young engineers.

Confirmation of participation is through payment of registration fee as shown in the table below:

Category	Participation fee	Description	Benefit/Costs
A	Tshs. 350,000/= per participant	1,500 participants will attend physically	<ul style="list-style-type: none">• Participants will be provided with Bags and T-shirts.• Practicing Engineers will be awarded 16 PDUs.• Contribution to capacity building for young engineers.• Costs for Breakfast, Lunch and

			Cocktail.
B	Tshs. 200,000/= per participant	Participants will attend virtually	<ul style="list-style-type: none"> • Participants will be provided with Bags and T-shirts. • Practicing Engineers will be awarded 16 PDUs. • Contribution to capacity building for young engineers. • Costs for video conference subscription for 2 days
C	Tshs. 100,000/= per participants	Participants will attend virtually	<ul style="list-style-type: none"> • Practicing Engineers will be awarded 16 PDUs. • Contribution to capacity building for young engineers. • Costs for video conference subscription for 2 days.

Note: The number of physical participations is limited to 1,500 participants.

All payments will be made by **reference number** (Invoice number) obtained from Annual Engineers Day online registration system (www.engineersday.co.tz). All participants are required to **first register for the event and obtain the reference number**, then to pay using the invoice / control number. Payments for the event without reference number **will not be accepted**. *Online registration System will be opened July 15, 2020.*

Participants who will attend virtually will be provided Meeting ID and Password after registration through online registration system and payment of participation fee.

September 2, 2020 will be the day of registration at the venue. Category A participants will be required to come at Dr. Jakaya Kikwete Convention Centre, Dodoma to collect their conference materials; and **MUST** bring with them Barcode Form (from the online system).
