

UNITED REPUBLIC OF TANZANIA  
ENGINEERS REGISTRATION BOARD

## INTENTION TO SUSPEND PRACTISE OF ENGINEERING CONSULTING FIRMS

The Engineers Registration Board (ERB) is a Regulatory body established by an Act of Parliament and has been given the responsibility of registering engineers and engineering consulting firms and monitoring their engineering activities, conduct and ethics. Under the Act, it is illegal to practice engineering if not registered with the Board. The Board can also withdraw the right to practice the profession from the Register of Engineers and Engineering Consulting Firms for those who contravene the Act or fail to abide by the Board's regulations and code of conduct and ethics.

Under the provisions of the Engineers Registration Act, No. 15 of 1997 as amended in 2007 and Engineers Registration Regulations, 2010, the Board noticed that your firm is providing engineering consulting services without a valid Practising Certificate which contravenes the Code of Conduct and Ethics for Engineers as provided in the 1<sup>st</sup> schedule of the Engineers Registration Regulations, 2010 (GN No. 35 of Jan 29, 2010).

By this notice the underlisted firms are advised to contact the Board on their status before May 31, 2019: -
