

## 18<sup>TH</sup> ANNUAL ENGINEERS DAY, SEPTEMBER 1 - 3, 2021

### INVITATION TO PARTICIPATE TO THE EVENT

The Engineers Registration Board (ERB), a statutory body established by the Engineers Registration Act No 15 of 1997, as amended by Act No. 24 of 2007. The Board has responsibilities of regulating engineering activities and the conduct of engineers, engineering technicians and engineering consulting firms in Tanzania as well as promoting and providing opportunities and facilities for the study of and professional training in engineering.

The Board is organizing an Annual Event for 18<sup>th</sup> year known as “Annual Engineers Day (AED)” that will be held on **September 1 - 3, 2021 at Dr. Jakaya Kikwete Convention Centre, Dodoma.** *The event will also be available physically (3,500 pax) and virtually (1,000 pax).*

During the event, engineers will discuss the theme on “*The Impact of Fourth Industrial Revolution on Infrastructure & Industry for Sustainability of Middle-Income Economy*”.

The major activities during the AED event will include:

- i. Paper presentations and discussions;
- ii. Exhibitions of technologies – whereby various organizations will exhibit their technologies and engineering goods and services;
- iii. Awarding different engineering groups and firms;
- iv. Oath taking for professional engineers; and
- v. Young Engineers Forum.

**All engineers and engineering technicians are invited to attend.** All professional and consulting engineers who will attend this event will have an added advantage of being awarded **16 Professional Development Units (PDUs)** in their Continuing Professional Development (CPD) Program. **CPD is mandatory and a prerequisite for all practicing engineers.** During the event there will be a parallel session for young engineers.
