To all Professional & Consulting Engineers,

Re: DEADLINE FOR USE OF OLD RUBBER STAMPS - DECEMBER 31, 2015

This is to inform all Professional and Consulting Engineers that the Board changed the old rubber stamps with the new self inking ones and which are of better quality following a long outstanding request from practicing engineers since September 2012.

The change includes rubber stamps for Consulting Engineers, Engineering Consulting Firms and Professional Engineers in the country.

The Board wishes to inform all professional and consulting engineers that the deadline for changing the stamps is **December 31, 2015**.

By this Note; engineers are advised to avoid deadline rush and start to process for the new ones by paying the appropriate production charges as shown in the table below and filling application form (uploaded in the website www.erb.go.tz).

The new rubber stamps will be available within **four weeks** after payment of the relevant cost to the Board. You will also be required to **return the old stamps by 31st December 2015**. The production costs are as indicated in the table below.

Registration Category	Rubber Stamp Fee	
	Tshs	USD
Professional Engineer	70,000	N/A
Consulting Engineer	100,000	N/A
Local Engineering Consulting Firm	200,000	N/A
Temporary Professional Engineer	N/A	100
Temporary Consulting Engineer	N/A	100
Foreign Engineering Consulting Firm	N/A	100

Yours Sincerely

ENGINEERS REGISTRATION BOARD
